USAT&F Certified Coach

This running camp is geared for adults; students are welcome to join if they are not a member of a high school track team. This is a training program geared for the beginner to the elite runner. Runners meet two nights a week and on Sunday mornings for training runs.

**Coach Doug Butler** will individually assess each runner and based on individual goals, set each runner up with a customized training program. He will base your training regimen on your particular level of fitness and advise you how to move forward to achieve your goals while staying injury free.

Very few people train at the paces they should be running at in order to increase their fitness level. This camp will teach you what paces you should be training at. Nobody likes to train alone, and this gives you a chance to meet some great people to run with.

The first night of running camp will begin at 6:00 p.m. and we will meet across the street from Running Zone in the Eastern Florida State College parking lot. All Tuesday and Thursday night runs will be at 6:00 pm. Sunday long runs will be at 6:30 a.m. or TBD.
